

## Baker County Library District

# PARKING LOT POLICY

Baker County Library District welcomes everyone who is using the Libraries, enjoying the library grounds or attending a library program to use its parking lots. The parking needs of library employees and patrons are the first priority in regard to available parking space. Those attending library-related programs and meetings, Friends of the Library programs and meetings, and programs and meetings of nonprofit, not-for-profit civic, educational, cultural or governmental organizations are given the next priority.

### **To maintain safety and library operations:**

- Park within the lined spaces
- No parking in handicapped spaces without a valid permit
- Park in such a manner as to provide ample room for vehicles to enter or exit the parking lot
- Do not use wheeled devices or vehicles for stunts or sport rather than transportation on library property. This includes bicycles, motorcycles, skateboards, hoverboards, scooters, roller skates, rollerblades, and any other vehicles
- Recreational drugs and / or alcoholic beverages are not permitted on library property including the parking areas
- Use of the parking areas for commercial purposes is prohibited
- No overnight parking is allowed between the hours of 11:00 pm and 6:00 am, except by permission of the Library Director
- Short term parking of up to one hour in aggregate is permitted between the hours of 11:00 pm and 6:00 am

BCLD reserves the right to restrict lot access and/or charge for parking area use for special purposes.

Special parking arrangements for a specific non-profit purpose or community event within a limited time period may be negotiated through the library director with the approval of the Board. Permission to use the parking lot for public events does not imply endorsement by the Library District.

The Library does not at any time or under any condition assume any responsibility for damage to or theft of any privately-owned vehicle in the parking lot or for personal injury, from any cause whatsoever, to any person or persons utilizing the lot.

Persons violating these rules, or engaging in any unlawful activity on Library premises, may be subject to law enforcement action. Vehicles in violation of this policy may be towed at owner's expense.

Approved by Library Board: 10/15/2012
